

Kindergarten Round Up

Thursday, April 4, 2019

Visit your Warrick County elementary school between the hours of 9:00 a.m. - 2:00 p.m. Your student does not have to attend to register.

A child must be five years of age on or before August 1, 2019, to be eligible for kindergarten in the fall. Bring a copy of the child's legal birth certificate (not the hospital copy), immunizations, and social security number.
